### Track:

A "park" style race course, but with proper exits that will test your dynamic moment power several times during each circuit.. Very playful parts of the circuit - flaps, drops, turnbuckles and a toboggan! The majority of the circuit will be driven on footpaths, meadows, dusty-loose sections and also a technical section through the sports area in the area near the finish line. You can look forward to a very different and at the same time attractive track in the middle of the city with beautiful views of the whole of Ústí.
